Sunshine $PROFIT® Sale Draws Strong Support in Florida

What a great day for the Leachman Sunshine $PROFIT® Sale! We were blessed with beautiful weather near Chiefland, Florida, and a tremendous group of cattlemen on hand for the sale.

A special thank-you goes to Genho Cattle Co. for hosting the sale and helping make the event possible. We also thank auctioneer Chad “Cracker” Johnson for calling the sale and keeping things moving throughout the day.

Lazarus Sons Lead the Stabilizer® Offering

The Stabilizer® offering was highlighted by the influence of Leachman Lazarus S056L, the Lot 1 bull from the 2024 Leachman Spring Bull Sale. Five of the six high-selling Stabilizer® bulls were sons of Lazarus, including the two sale toppers. Lot 2, LCHMN Lazarus U559N, sold for $9,000, and Lot 12, LCHMN Lazarus K138N, also brought $9,000.
